Golf Course Overview

Sylvan Glen has prided itself as a family facility for more than 85 years. Changes to the property over recent years have led to a few course

changes. The length of the course was increased to 6,741 yards and par was changed from 70 to 71. The wetlands have been expanded, and many trees and shrubs have been added, enhancing the beauty and challenge of the course. With the option to ride or walk, Sylvan Glen is a perfect option for golfers of all calibers, from novice to expert. Pull carts are also available for rent.

The course is home to 34 weekday golf leagues, played during both the mornings and afternoons. Annually, Sylvan Glen hosts more than 50 golf outings that range in size from 20 to 144 players. Call 248.619.7674 for more information or tee times, which are accepted ten days in advance.
